boutique coffee
cold pressed juice
raw superfood

Welcome to our kitchen and café.

Our aim is to deliver you an experience without compromise. Our highly trained baristas bring you the best in specialty coffee. Our kitchen works hard every day to make clean, fresh, house made product free from additives, preservatives and unnecessary fillers.

We cold press our juice on site, make our almond mylk from scratch and work with whole foods in their raw state. It's food the way nature intended - and your body will thank you for it!

Please take a seat wherever you choose and place your order at the counter.

Allergen Advice:

Please be aware that our kitchen handles and processes a range of allergens. Our kitchen is an open environment and any product in our store may contain allergens.

If you have an allergy please let us know.
